Family FUNdraising Day was a Success!!

Thanks to all the parents, students, staff and everyone who came out to enjoy the fun filled afternoon with us!!! From the Titanic Slide and Bungee Jumping to the Grade Level Booths, Vendors and Food Trucks the smiles and laughter were none stop. It was completely satisfying to see everyone enjoying themselves. This event would not have been successful without your support. The PTA is grateful and we look forward to next year. There is no better fun, than Family FUNdraising Day!!

Red Ribbon Ceremony for Shade Structure

We are planning a wonderful event to honor the faculty, parents, and students, who helped to make the shade structure a reality for our students. We are especially grateful for Ms. Monge for all her efforts from the conception to the grant writing to assisting in raising the funds needed to the coordination of the construction. Thank you for all you have done, Ms. Monge!!

Prior to the ribbon cutting ceremony, we need to construct a safety barrier around the footings. As soon as this is completed then the ceremony can take place. We are hoping that this will be in the next month or so.
